

Dear PBL Residency Family,

We hope that you are well in these times of uncertainty. Online learning has been a challenge for all of us, but, as I scan through social media, listen to the news, read through the ministry e-bulletins **I am confident that there are educational leaders out there that have embraced this opportunity and are delivering real learning in a real way for their students. Hats off.**

This excellent work is often supported by robust professional development. However, the decision has been made to **cancel the PBL Residency for Summer 2020**. We waited late in the spring to deliver this news only because we were hoping, as many of you were too, that things would substantially change. Albeit, there is a gradual shift to have students and teachers re-entering their brick-and-mortar classrooms, we feel as though educators will need every moment of their summer to rest and/or prepare for what is to come in September.

Please stay connected to the Residency, as there will be **great news coming your way in the weeks ahead!** We are committed to working with you to develop your practice and reimagine Christian education in our schools. If you are not already on our mailing list and wish to be added please email info@pblresidency.com.

As always, you are welcome to email anytime with questions or comments, as well as check out our [Facebook page](#) for updates.

Blessings,

Mike Cumiskey

PBL Residency Director
